

ISTeC Educational Advisory Committee

Minutes

November 11, 2005

1:00-2:00 P.M.

Attendees: S. Rajopadhye, H.J. Siegel, C. Smith, G. Lewis, W. Bohm, P. Pellicane, E. Chong, J. Bethel, M. De Miranda, P. Seel

1. High School Day recap -- with survey feedback from participants (MaryAnn compiled them for us).
 - a. Excellent program. Went off very well.
 - b. Wednesday instead of a Friday
 - c. Define subcommittee to deal with logistics
 - d. Get Department Heads and Advisers to attend Counselor sessions
 - e. First week of November was good logistically
 - f. Have workstudy get specific contact names for committee to contact
 - i. AP teacher, Tech Ed teacher, Computer Club, Junior/Senior Counselor?
 - g. Add rotation for all students that talks about Admissions and Financial Aid.
2. Update on Senior FITness Survey questionnaire.
Survey updated. Suggestions from committee taken.
3. Update on IS&T inclusion in CSU Strategic Plan.
What is the roll of the Faculty Council?
How can we affect change to the curriculum?
Who do we talk to about this?
Can FIT survey be used to influence curriculum change?
4. Discussion of CSU plans to close Office of Instructional Services and farm out functions to other agencies on campus.
Who will support online classes (e.g. ISP)?
Support for increased technology in classroom?
5. Michael De Miranda made the committee aware that the Colorado Department of Education would be visiting for the approval of the Applied Computing Technology B.S. that is to be offered through the Computer Sciences department. This is a degree to teach teachers how to teach technology subjects.
6. Spring 2006 semester meeting dates were defined as:
Jan. 20 (third Friday -- classes begin on the 17th)
Feb. 10
Mar. 10 (Spring Break is March 11-19)
Apr. 14
May 5 (last day of instruction)

Next meeting Friday, December 09, 2005.
