

ISTeC Executive Committee Meeting  
3/31/08  
Minutes

Attendees: P. Burns, J. Folkestad,, H.J. Siegel, J. Switzer, M. Stroub, R. Kwok

1. Student research poster contest update  
22 posters submitted; room, easels, and refreshments arranged
2. K-12 outreach update – Jim Folkestad gave status on follow-up to EAC S07 Education Retreat.  
Siegel would like to see higher visibility for this work – what kind of publicity could be done?
3. IT skills update –Jamie Switzer  
What is going to be done with the FITness information?  
We are behind in the number of students taking the test this semester – 130 participants we will not be able to get college level granularity if there are not at least 50 students from each collect.
4. ISTE C People-Animals-Robots (PAR) Lab status – H.J. Siegel  
PAR slides ready for presentation to Van Tilborg on 4/7/08.  
Subgroups have formed following the initial meeting; there was a follow-up meeting for all participants to present their group information on 3/27.
5. Spring IAC meeting agenda – H.J. Siegel presented draft agenda
6. CSIA /CSU Scholarship Fund raising – including CSIA C-Level meeting results – HJ Siegel  
There were 1000 applicants for scholarship; top 3 have been selected  
It was determined that there will be 2-\$2000 scholarships for AY08-09
