

ISTeC Research Advisory Committee  
**Minutes**  
Wednesday, October 5, 2005

Committee Members:

D. Dean, D. Bastian, H. Wang, D. Zimmerman, A. Poore, M. Gelfand, B. Draper, L. Troup, S. Rajopadhye, H.J. Siegel, R. Bartels, S. Hayne

1. Update on the IS&T Forum Series (Bruce Draper/Stephen Hayne)  
First discussion to be held 10/26, B103 12-1, Pattern Recognition. Lunch (brown bag) series to foster discussion between attendees. Broad themes. Attendees will participate.
2. Update on the Coffee with CSU series (Sanjay Rajopadhye)  
Will use Faculty Database to have IAC member view information
3. Update on the CIT proposal review process (Denis Dean)  
1 proposal submitted and out for review.
4. Update on the research retreat planning process (Lucy Troup/Denis Dean)  
Creating committee. Planning proceeding.
5. RAC membership update  
Members who don't attend regularly will be asked to start attending or send an alternate.
6. It was suggested that the Committee look into a workshop on CSU computing capabilities (Co-Grid, Planet Lab, etc). Dan Massey (CS) will be asked to coordinate.
7. Distinguished Lecturers are still needed.

Next ISTE C RAC meeting will be Wednesday, November 9, 2005, 10 – 11 am in Engr C101B.
